# BE ELECTED

Nomination of Mexican Minister By Catholics for President Reawakens Interest in Situation.

FUGITIVES STILL FLEEING TO AMERICA

Obeying Order of Kind Fatherland, Women and Children Toil Over Bleak Mountain INTENTIONALLY FILED Passes to Get Out of Mexico.

Washington, Sept. 25.—The nomination of Frederico Gambon, Mexican. minister of foreign affairs, by the cars will be run hereafter, according • tout never before such a storm of ened interest here in the Mexican sit-Catholic party for president, re-awak. uation. Secretary Bryan declined to comment.

While the United States might utilmately recognize Gambou, if chosen at a legal and fair election, the disposition in official circles was to doubt whether he could be elected.

Representatives of the constitutionlist party declared the radical party of Mexico would take no part in the ctions and that revolutionists would refuse to recognise Gambon. The opinion of American officials was that the nominee of the Catholic party could not triumph in a popular election in Mexico.

The overwhelming opposition rerecently shown in the Mexican chamher of deputies to the selection of Edsardo Tamaria, a tender of the Catholic party as minister of public in-

said to have been issued in Mexico like to a respondent of the nature of the nature of the secusations against him and to here by tomorrow ren. as chief of the liberal party and afford him time to prepare an anomaly on that I will be a prepared in the secusion of the liberal party and afford him time to prepare an anomaly on that I will be a prepared in the secusion of the nature of the secusion of the nature of the secusion of the nature of the nature of the secusion of the nature of the secusion of the nature of the nature of the nature of the nature of the secusion of the nature o bout lifty leaders, decliging definite. wwer,
